JOHNNY DC SAYS: LET THE MAIL BEGIN!

DRAWING STEVEN SOKOLOWSKI, AGE 10

Dear Johnny DC,

My favorite series? CODENAME: KIDS NEXT DOOR! I came up with Numbuh Seven. He is a combination of Numbuh One and Four. He is even second-in-command. He is always in a mood for butt-kicking!

Tyler Opdycke, age 7
Livonia, Michigan

Your Numbuh Seven better watch his OWN tail around Numbuh Five. She thinks SHE'S second-in-command!
— Johnny DC

DRAWING BY TYLER OPDYCKE
Dear Johnny DC,

I really enjoyed the second issue of CARTOON NETWORK ACTION PACK! I was glad "Man of Action" wrote the premiere story of BEN 10. I think Dario Brizuela did an excellent job drawing the BEN 10 characters. I wonder if Ben feels any pain when he returns to human form? However, I felt that Ben turned into a second alien way too fast after returning from the first.

More BEN 10, please!

My favorite part of the "Rowdyruff Boys" story was when the dog spoke to the police officer about crossing the road.

CODENAME: KIDS NEXT DOOR was a fun story. Principal Sauerbraten must go crazy attempting to keep track of kids like Hoagie Gilligan.

Thanks for providing the interview with JUNIPER LEE's creator, Judd Winick. I liked finding out that Juniper was based on Judd's wife, Pam.

Good letter, Allen! You must have read the famous textbook HOW TO WRITE LETTERS OF COMMENT written by my father, Jonathan D. Comics, Sr. You're right that Ben usually needs half an hour or more before he can use the Omnitrix again, but the thing is unpredictable. He was lucky that, this time, the waiting period was more like five minutes!
— Johnny DC

DRAWING BY AIDAN MCGINN, AGE 9

This is your page to show off your stuff and say what you think about our comics. Many readers send me drawings of our characters, like Steven and Tyler did. Other readers send me original drawings, like Aidan did. Both are excellent. This month, I got pictures of new super villains. Here are two more!

See you next month, with another pack of action and another bag of letters! Why not send one of your own?
